Re: Griffin Wheel Company's Motion for Summary Judgment

Dear Mr. Harbison:

Thank you for yours of April 9, 2010. Please refer to Griffin Wheel's Response to Plaintiff's Motion to Compel filed April 9, 2004 for the reason the discovery you reference was not and need not have been answered. It remains Griffin Wheel's position that the information being requested is irrelevant to the legal issue raised in its Motion for Summary Judgment. If you need more information, please call.

Very truly yours,
